

JUARA TRAINING SYSTEM

*Suitable for Technical schools, Vocational colleges, Technical Universities
Mechatronics, Industrial Electronics, Mechanical Engineering*

Portable – light weight

Economical – choose the components you need

Reliable – metal mounting plates & metal fittings

- Components from European countries

Expandable – add the components you need

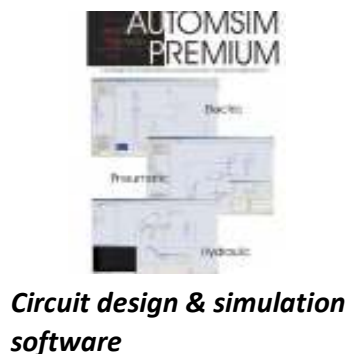

Standard Pneumatic & Electro-pneumatic Trainer

micro Pneumatic Trainer Plug board

micro Hydraulic Trainer
(Water Power Unit)

Circuit design & simulation software

micro PLC Trainer
(NAIS, Mitsubishi, Omron, Siemens)

micro Electro-Pneumatic Trainer

Juravic Engineering Sdn. Bhd.
